Bon Ton CORSETS

HIP CONFINER

From the first moment these exquisite models appeared they have been much in demand. The tops are little more than belts, while the bodies are lightly boned, which makes for perfect comfort and freedom, especially as corsets for dancing.

(See illustration of "Hip Confiner" model 847.)

Model 847; Price \$3.50

Average figure. Hip confiner. Waist band of 2-inch suspender webbing, combined with satin ribbon. Practically boneless. Coutil. Sizes 20 to 30.

Bon Ton CORSETS

THIGH DIMINISHER

A new and long desired feature has been realized in the perfection of the "thigh-diminishing" models. These corsets accomplish results heretofore thought impossible, and appeal particularly to those desiring greater reduction of thighs and hips.

(See illustration of "Thigh Diminishing" model 905.)

Model 905—Price \$5.

Average figure. 3-inch bust. Special "thigh diminisher." Free hip-bone. Wundabohn boning. Broche, white, pink, or blue. Sizes 20 to 32.

Bon Ton CORSETS

FREE HIP-BONE

The "Free Hip-Bone" idea means that the corset is cleverly designed so that no steels, gores, or seams (only the soft corset fabric) can touch the wearer at this point. All the new models have this excellent feature.

(See illustration of "Free Hip-Bone" model 973.)

Model 973—Price \$10.

Average figure. 3½-inch bust. Free hip-bone. Silk elastic patch gores. Plush lined clasp. Wundabohn boning. Silk batiste; white, pink, blue. Sizes 20 to 30.

Bon Ton CORSETS

NATURE POISE

This is the name of a new poise stylish ladies are assuming with the aid of this new corset. The clasp is curved just enough to slightly reveal the natural curve of the abdomen, thus giving the figure that fashionable "sway" so much desired.

(See illustration of "Nature Poise" model.)

Model 926—Price \$5.

Average figure, 3½-inch bust. "Nature Poise" model. Free hip-bone. Wundabohn boning. Coutil. Sizes 20 to 32.

ROYAL WORCESTER CORSETS

Madam Taylor, of the Salon du Bon Ton, said in her late lecture here, that two pairs of corsets were an economy, and highly recommended "Royal Worcester" Corsets, advising them worn in conjunction with the "Bon Ton."

Mme. Irene Chadwick, the Palais Royal corsetiere-in-chief, indorses Madam Taylor, and announces a "demonstration" for tomorrow.

ADJUSTO REDUCING CORSETS

Every stout woman will be interested in this very new reducing corset. It reflects every practical feature that could be desired in a corset of this type. The latest improvement is the "invisible" sliding buckle on the adjusting bands. Ask the corsetiere to show this ADJUSTO model and explain its functions.

ADJUSTO STYLE 607. (Like illustration.) 4½-inch bust. Elastic patch gores in back. Graduated clasp. New "invisible" buckles. Coutil. Sizes 23 to 36. Price, \$3. 609 same style as 607, except bust, which is 1 inch higher.
